Lecture

“Urban conflicts around alternative food provision: Contesting food privilege, food injustice, and colorblindness in Boston, USA”

Isabelle Anguelovski

(Postdoctoral Marie Curie Researcher at Universitat Autònoma de Barcelona)

She is a social scientist trained in urban and environmental planning (PhD, Massachusetts Institute of Technology, 2011) and international development (Université de Paris I-Sorbonne, 2001), whose research is situated at the intersection of urban planning and policy, social inequality, and development studies.
