Request documents at the libraries or via the website.

---

### **Interlibrary Loans**

Request copies of journal articles and documents that are not available through PUC. The Doctoral College assumes part of the costs.

---

### **Access electronic resources from outside UVic**

Access the library's electronic resources from outside UVic: databases, journals, books, dictionaries and newspapers.

---

### **Mendeley**

The library offers a service to help you use the Mendeley reference manager. Mendeley incorporates academic social networks to help you manage your research, collaborate with other online users and find the latest documents published in your specific field. UVic members can use Mendeley Institutional Edition.

---

### **Wi-Fi access**

We offer access to the Eduroam Wi-Fi network.

---

### **Reference and working areas**

The Library has 2 computer rooms and 4 coworking rooms.

---

### **Training and personalised support for doctoral students**

We offer courses on searching and managing information, as well as workshops aimed at researchers. We also provide researchers with personalised support in searching publications, scientific publishing and reference management.
